Fair profile

interzum moscow / Interkomplekt provides a comprehensive overview into the broad country-specific spectrum of the sector, held at the new Crokus Expo Exhibition Centre in Moscow. The fair presents an impressive range of materials and components for furniture production as well as an inside view of the Russian furniture market and Russian trends.

Main Product Groups

- Materials and components for furniture production
- Machines, materials and components for upholstery and bedding
- Machines, materials and components for interior works

Preview 2010	<p>The fifth edition of interzum moscow / Interkomplekt 2010 will - again - be held concurrently to the most important spring furniture fair EuroExpoMebel (EEM) in Russia. This "duo" (furniture exhibition & furniture manufacturing exhibition) provides high synergies for exhibitors and visitors alike.</p> <p>The successful concept of national pavilions will be implemented in 2010 again. Koelnmesse offers at least three pavilions (Germany, Italy and Turkey)</p>
